MEMORANDUM TO:

ALL SHOOTING CLUBS/RANGES ONTARIO

RE: Recall on Surplus Ammunition – CHINESE 7.62X39, Surplus CH76239-1500

The Chief Firearms Office has been informed that there has been a recall on ammunition Chinese 7.62X39 surplus CH76239-1500, purchased between September 2021 and December 1, 2021.

This ammunition contains a tannerite-type substance which is **prohibited and flammable/incendiary**. The recalled crates will have #1 stamped on one of the wooden handles, and cartridges will have black casings and black painted tips (see attached photo). Please see the attached 2 pages with further information and images.

Do not return the ammunition to your dealer. Please contact allan@northsylva.com.

We ask that you disseminate this memorandum to all your club members as soon as possible. The discharge of this ammunition is strictly prohibited and dangerous.

Thank you for your cooperation in this matter.

Regards,

A handwritten signature in black ink, appearing to read "A.J. Ferguson", is written over a circular stamp. The stamp contains the text "A.J. (Andrew) Ferguson" and "Superintendent – CFO Bureau Commander".

A.J. (Andrew) Ferguson
Superintendent – CFO Bureau Commander
Chief Firearms Officer for the Province of Ontario
